C. SDCWA is a member agency of Metropolitan.

D. On April 29, 1998, SDCWA and the Imperial Irrigation District (“IID”) entered into an Agreement for Transfer of Conserved Water, as amended by the Revised Fourth Amendment dated as of October 10, 2003, between SDCWA and IID (as thereby amended, the "Transfer Agreement").

E. On November 10, 1998, SDCWA and Metropolitan executed a Contract for the Exchange of Water to be acquired by SDCWA under the Transfer Agreement; this Agreement amends and restates that Contract in its entirety.

F. This Agreement is one of several agreements executed and delivered as of the date hereof by the Parties and by other agencies, including IID, MWD and Coachella Valley Water District (“CVWD”), pursuant to the Quantification Settlement Agreement among IID, MWD and CVWD dated as of October 10, 2003 (the “QSA”), which settles a variety of long-standing disputes regarding the priority, use, and transfer of Colorado River water and establishes the terms for the further distribution of Colorado River water among these entities for up to seventy-five (75) years based upon the water budgets set forth therein.

G. Also, on October 10, 2003, as contemplated by the QSA, SDCWA entered into the Allocation Agreement with the United States of America, IID, CVWD, MWD and other parties named therein (the “Allocation Agreement”) pertaining to the allocation and distribution of water to be conserved from the All-American Canal Lining Project and the Coachella Canal Lining Project (as such terms are defined therein).

(b) Subject to the satisfaction of Metropolitan's conditions precedent, as set forth in Paragraph 8.1 hereof, this Agreement is a valid and binding obligation of Metropolitan, enforceable in accordance with its terms, subject to the requirements of applicable law.

(a) SDCWA is a county water authority, duly organized, validly existing and in good standing under the laws of the State of California, and subject to satisfaction of

SDCWA's conditions precedent as set forth in Paragraph 8.2 hereof, SDCWA has all necessary power and authority to perform its obligations hereunder on the terms set forth in this Agreement, and the execution and delivery hereof by SDCWA and the performance by SDCWA of its obligations hereunder will not violate or constitute an event of default under the terms or provisions of any agreement, document or instrument to which SDCWA is a party or by which SDCWA is bound.

III

QUANTITY, DELIVERY AND SCHEDULING

3.1 Conserved Water and Canal Lining Water.

(a) SDCWA will Make Available the Conserved Water and/or the Canal Lining Water to Metropolitan at the SDCWA Point of Transfer each Year, in the manner set forth below. The quantity of Conserved Water and/or Canal Lining Water Made Available to Metropolitan by SDCWA at the SDCWA Point of Transfer each Year shall be the lesser of: (1) the sum of the quantity of water which IID transfers to SDCWA

under the Transfer Agreement in such Year and the quantity of Canal Lining Water allocated to SDCWA under the Allocation Agreement in such Year; or (2) 277,700 acre feet. The Conserved Water and/or the Canal Lining Water Made Available in each Year shall be deemed to have been Made Available to Metropolitan in monthly installments, with one-twelfth (1/12) of such water deemed to have been Made Available in each calendar month of such Year (provided that, in the first Year, the quantity of such water deemed to have been Made Available in each month shall be determined by dividing the total quantity for that Year by the number of calendar months or portions thereof in that Year).

(b) SDCWA will also Make Available to Metropolitan, in the manner set forth in subparagraph (a) above, the Early Transfer Water, in three annual installments as follows:

In calendar year 2020	2,500 acre-feet
In calendar year 2021	5,000 acre-feet
In calendar year 2022	2,500 acre-feet

(c) SDCWA will provide to Metropolitan annual written notice by November 1st each Year (or, in the case of the first Year, reasonable advance written notice) of the quantity of Conserved Water (including Early Transfer Water, if applicable) to be transferred to SDCWA in accordance with the Transfer Agreement, and of the quantity of Canal Lining Water to be allocated to SDCWA in accordance with the Allocation Agreement, and in each case to be Made Available to Metropolitan at the

SDCWA Point of Transfer during the immediately following Year. The Conserved Water and/or the Canal Lining Water will be Made Available to Metropolitan by SDCWA in a manner consistent with the Bureau's operations schedule and will be measured as provided in Paragraph 3.4.

3.2 Exchange Water.

(a) Provided that the Conserved Water (including Early Transfer Water, if applicable) and/or the Canal Lining Water has been Made Available to Metropolitan at the SDCWA Point of Transfer pursuant to Paragraph 3.1, Metropolitan shall deliver Exchange Water (including Early Exchange Water, if applicable) to SDCWA at the Metropolitan Point(s) of Delivery, in compliance with this Agreement, and in the manner and to the extent set forth below. In any Year, Metropolitan will not be required to deliver an amount of Exchange Water that is greater than the aggregate amount of Conserved Water (including Early Transfer Water, if applicable) and Canal Lining Water Made Available to Metropolitan in that Year pursuant to Paragraph 3.1, subject to the provisions of subparagraphs (b) and (c) of Paragraph 7.2.

(b) Metropolitan's delivery of Exchange Water at the Metropolitan Point(s) of Delivery shall be governed by its rules and regulations for delivery of water set forth in Chapter 5 of Division IV of the Administrative Code in the same manner as other water delivered by Metropolitan, except as may otherwise be provided in this Agreement.

(c) The Exchange Water to be delivered in any Year shall be delivered in approximately equal monthly installments over the Year so that at the end of the twelfth

month the aggregate quantity of Exchange Water delivered by Metropolitan will be equal to the aggregate quantity of Conserved Water (including Early Transfer Water, if applicable) and Canal Lining Water Made Available to Metropolitan at the SDCWA Point of Transfer for that Year, or at the times and in the amounts as the Parties may otherwise agree.

(d) In the event that the delivery of Exchange Water to the Metropolitan Point(s) of Delivery is temporarily suspended or interrupted during any Year pursuant to Paragraph 3.3 below, the remaining quantity of Exchange Water to be delivered for such Year will be delivered by Metropolitan ratably over the remainder of such Year or as otherwise agreed by the Parties.

(e) Metropolitan shall have the right to deliver Exchange Water utilizing such facilities and by such delivery path as shall be determined by Metropolitan at its sole discretion. Utilization of a particular delivery path for any such delivery shall not operate as or be deemed to be a commitment to utilize the same delivery path for any future delivery. Metropolitan has not dedicated and shall not be deemed or construed to have dedicated any particular facilities for delivery of the Exchange Water.

3.3 Temporary Shutdown of Metropolitan Facilities. Metropolitan's Chief Executive Officer shall have the right to control, curtail, interrupt or suspend the delivery of Exchange Water to SDCWA in accordance with the Administrative Code. SDCWA understands that any number of factors, including emergencies, inspection, maintenance or repair of Metropolitan facilities or the State Water Project facilities, may result in a temporary and incidental

modification of the delivery schedule contemplated in Paragraph 3.2. Metropolitan shall notify SDCWA of any control, curtailment, interruption or suspension of delivery of Exchange Water in accordance with and to the extent set forth in the Administrative Code, as if the Exchange Water were water served by Metropolitan. Metropolitan agrees that delivery of Exchange Water shall be resumed as soon as possible following any such curtailment, interruption or suspension of delivery. Unless Metropolitan is otherwise relieved of its obligations under the provisions of this Agreement, a curtailment, interruption or suspension of the delivery of Exchange Water pursuant to this Paragraph 3.3 shall not change the amount of Exchange Water Metropolitan is obligated to deliver during any Year.

3.4 Measurement of Deliveries. The quantity of Exchange Water delivered in each Year by Metropolitan at the applicable Metropolitan Point(s) of Delivery, which amount will be metered at such Point(s) of Delivery as provided in the Administrative Code, shall be equal to the aggregate quantity of Conserved Water (including Early Transfer Water, if applicable) and Canal Lining Water Made Available to Metropolitan in such Year at the SDCWA Point of Transfer. The Parties agree that they will be bound by such meter readings.

3.5. Points of Transfer or Delivery.

(a) The SDCWA Point of Transfer. As used herein, the “SDCWA Point of Transfer” shall be Metropolitan’s intake at Lake Havasu.

(b) The Metropolitan Point(s) of Delivery. As used herein, the “Metropolitan Point(s) of Delivery” shall be any or all San Diego Pipelines One through Five (inclusive)

or at similar facilities that may be constructed in the future at a point near the San Luis Rey River in Northern San Diego County.

3.6 Quality of Exchange Water. Metropolitan in its sole discretion shall have the right to deliver Exchange Water of a quality which exceeds the quality of the Conserved Water and/or Canal Lining Water which Metropolitan receives, and such Exchange Water shall fully satisfy Metropolitan's obligation to deliver Exchange Water of like quality to such Conserved Water and Canal Lining Water. In such event, Metropolitan's election shall not operate as or be construed to be a commitment to deliver Exchange Water of better quality in the future, and in no event shall SDCWA be deemed to have any right to receive Exchange Water of better quality than the Conserved Water and/or Canal Lining Water.

3.7 Alternative Facilities. SDCWA may determine, in its sole discretion, permanently to reduce the aggregate quantity of Conserved Water and Canal Lining Water to be Made Available to Metropolitan under this Agreement to the extent SDCWA decides continually and regularly to transport Conserved Water and/or Canal Lining Water in an amount equal to such reduction in quantity to San Diego County through Alternative Facilities; provided, however, that SDCWA shall furnish to Metropolitan a minimum of five (5) years' advance written notice of such determination. The written notice shall confirm the quantity of Conserved Water and/or Canal Lining Water (if any) which SDCWA will continue to Make Available to Metropolitan. If SDCWA exercises its right under this Paragraph 3.7, Metropolitan's obligation to deliver Exchange Water shall be limited to that specified quantity of Conserved Water and/or

Canal Lining Water that SDCWA continues to Make Available to Metropolitan pursuant to this Agreement.

IV.

CHARACTERIZATION OF EXCHANGE WATER

4.1 Exchange Water as an Independent Local Supply. The Exchange Water shall be characterized for the purposes of all of Metropolitan's ordinances, plans, programs, rules and regulations, including any then-effective Drought Management Plan, and for calculation of any Readiness-to-Serve Charge share, in the same manner as the Local Water of other Metropolitan member agencies, except as provided in Paragraphs 4.2 and 5.2.

4.2 Exception for Interim Agricultural Water Program and Determination of Price. Notwithstanding the provisions of Paragraph 4.1, the Exchange Water delivered to SDCWA shall be characterized as Metropolitan water and not as Local Water only for the limited purposes of Paragraph 5.2 and the Interim Agricultural Water Program.

V.

PRICING AND PAYMENTS

5.1 Payments. SDCWA shall pay the Price for each acre-foot of Exchange Water (including Early Exchange Water, if applicable) delivered by Metropolitan at the Metropolitan Point(s) of Delivery.

5.2 The Price. The Price on the date of Execution of this Agreement shall be Two Hundred Fifty Three Dollars (\$253.00). Thereafter, the Price shall be equal to the charge or charges set by Metropolitan's Board of Directors pursuant to applicable law and regulation and

generally applicable to the conveyance of water by Metropolitan on behalf of its member agencies. For the term of this Agreement, neither SDCWA nor Metropolitan shall seek or support in any legislative, administrative or judicial forum, any change in the form, substance or interpretation of any applicable law or regulation (including the Administrative Code) in effect on the date of this Agreement and pertaining to the charge or charges set by Metropolitan's Board of Directors and generally applicable to the conveyance of water by Metropolitan on behalf of its member agencies; provided, however, that Metropolitan may at any time amend the Administrative Code in accordance with Paragraph 13.12, and the Administrative Code as thereby amended shall be included within the foregoing restriction; and, provided, further, that (a) after the conclusion of the first five (5) Years, nothing herein shall preclude SDCWA from contesting in an administrative or judicial forum whether such charge or charges have been set in accordance with applicable law and regulation; and (b) SDCWA and Metropolitan may agree in writing at any time to exempt any specified matter from the foregoing limitation. In the event that SDCWA contests a matter pursuant to the foregoing sentence, the prevailing Party shall be entitled to recovery of reasonable costs and attorneys fees incurred in prosecuting or defending against such contest.

5.3 Billing and Payments. Metropolitan shall mail monthly invoices to SDCWA in accordance with the Administrative Code, and SDCWA shall make monthly payments of amounts due pursuant to Paragraph 5.1 in accordance with the Administrative Code. The amount of each monthly billing and payment pursuant to this Agreement shall be the quantity in acre-feet of Exchange Water to be delivered by Metropolitan at the Metropolitan Point(s) of

Delivery during the applicable Year, multiplied by the Price as of the commencement of that Year, divided by twelve (12).

5.4 Treatment Surcharge. SDCWA shall pay to Metropolitan an amount equal to the Treatment Surcharge, in addition to the Price, for each acre-foot of Treated Exchange Water.

VI.

ADDITIONAL NOTIFICATIONS

6.1 Confirmation of Water Conservation. SDCWA will provide a written report to Metropolitan, prior to March 31 of each Year, describing the method by which any Conserved Water (including Early Transfer Water, if applicable) that was Made Available to Metropolitan in the prior Year was conserved by IID, including a description of conservation projects resulting in the Conserved Water and the quantity of Conserved Water conserved by each project.

6.2 Notice of Developments.

(a) After the Effective Date, SDCWA agrees to give prompt notice to Metropolitan if it discovers that any of its own representations and warranties herein were untrue when made or determines that any of its own representations and warranties will be untrue as of any date during the term of this Agreement.

(b) After the Effective Date, Metropolitan agrees to give prompt notice to SDCWA if it discovers that any of its own representations and warranties herein were untrue when made or determines that any of its own representations and warranties will be untrue as of any date during the term of this Agreement.

VII.

TERM

7.1 Commencement and Expiration. This Agreement shall become effective on the Effective Date and shall expire on the Termination Date, which shall be the later of the dates determined pursuant to subparagraph (a) and (b) below.

(a) Metropolitan's and SDCWA's rights and obligations under this Agreement pertaining to Conserved Water Made Available to Metropolitan pursuant to the Transfer Agreement and this Agreement shall expire and shall thereupon terminate on December 31 of the thirty-fifth (35th) Year, unless SDCWA elects by written Notice to Metropolitan no later than the end of the fifteenth (15th) Year to extend this Agreement to December 31 of the forty-fifth (45th) Year, or shall terminate as otherwise provided in Paragraph 7.2.

(b) Metropolitan's and SDCWA's rights and obligations under this Agreement pertaining to the Canal Lining Water shall expire and shall thereupon terminate on December 31 of the same Year in which the Allocation Agreement terminates, or shall terminate as otherwise provided in Paragraph 7.2.

7.2 Force Majeure.

(a) If the performance, in whole or in part, of the obligations of the respective Parties, or either of them, to Make Available Conserved Water or Canal Lining Water or to deliver Exchange Water (as the case may be) under this Agreement is prevented: by acts or failure to act of any agency, court or other government authority, or any other

person; by natural disaster (such as earthquake, fire, drought or flood), contamination or outbreak of a water borne disease, war, strikes, lockouts, act of God, or acts of civil or military authority; by the operation of applicable law; or by any other cause beyond the control of the affected Party or Parties, whether similar to the causes specified herein or not, then, in any such circumstance, the obligation of the affected Party or Parties to cause the delivery of the Conserved Water or Canal Lining Water or to deliver the Exchange Water (as the case may be) under this Agreement shall be suspended from the time and to the extent that the performance thereof is prevented, but reasonable diligence shall be observed by the affected Party or Parties, so far as it lies in their power, in performing such respective obligations in whole or in part under this Agreement. In the event such performance of either of the Parties under this Agreement is prevented as described above, then during the period of such prevention, performance by the non-affected Party under this Agreement shall be excused until such prevention ceases, at which time both the Parties shall become obligated to resume and continue performance of their respective obligations hereunder during the term of this Agreement.

Notwithstanding the foregoing, no such prevention shall suspend or otherwise affect any payment obligations for Exchange Water actually delivered or any obligation of either Party to indemnify the other pursuant to Paragraph 13.10, or shall extend the term of this Agreement beyond the Termination Date, except as provided in Paragraph 7.2(c) below.

(b) In the event the performance by Metropolitan or SDCWA is prevented as described above, the Parties agree actively to cooperate and use their reasonable best

efforts, without diminution of any storage or other rights Metropolitan or SDCWA may have, to support a request to the Bureau for emergency storage in Lake Mead or Lake Havasu for the Conserved Water and/or the Canal Lining Water, if it would avoid the waste or loss of the Conserved Water and/or the Canal Lining Water.

(c) In the event the delivery of Exchange Water by Metropolitan is prevented as described in Paragraph 7.2(a) above, and in the event Conserved Water and/or the Canal Lining Water has been stored as contemplated by Paragraph 7.2(b) above, and such stored Conserved Water and/or the Canal Lining Water is Made Available to Metropolitan, the term of this Agreement shall be extended, for a period not to exceed five Years, without the necessity for further action by either Party, if and to the extent necessary to permit Metropolitan to complete the delivery of Exchange Water in a quantity equal to such stored Conserved Water and/or the Canal Lining Water.

7.3 Survival. Notwithstanding the foregoing or anything to the contrary in this Agreement, any remaining payment obligation of SDCWA under Article V, and the provisions in Paragraphs 12.5, 13.2, 13.3, 13.8, 13.10 and 13.15 and Articles X and XI, shall survive the termination of this Agreement.

VIII.

CONDITIONS PRECEDENT

8.1 Metropolitan's Condition Precedent. Metropolitan's obligations under this Agreement are subject to the execution and delivery of the QSA and the Related Agreements (as defined in Section 1.1 of the QSA), and to the occurrence of the Effective Date.

8.2 SDCWA's Conditions Precedent. SDCWA's obligations under this Agreement are subject to the execution and delivery of the Revised Fourth Amendment to the Transfer Agreement, the Allocation Agreement and the Implementation Agreement, and to the occurrence of the Effective Date.

8.3 Failure of Conditions. If Metropolitan's conditions precedent under Paragraph 8.1 are not satisfied or waived in writing by Metropolitan, or if SDCWA's conditions precedent under Paragraph 8.2 are not satisfied or waived in writing by SDCWA, in each case on or before December 31, 2003, then this Agreement will be void, and all rights and obligations provided hereunder will be terminated.

IX.

X.

ADDITIONAL COVENANTS

10.1 Impact on Transfer Agreement. Nothing in this Agreement shall be construed to amend the Transfer Agreement.

10.2 Implementation of Transfer Agreement. Insofar as the Transfer Agreement is consistent with and implemented in accordance with state and federal law and the California Plan, Metropolitan shall not oppose approval or implementation of that Agreement before the

California State Water Resources Control Board, the Bureau, the United States Department of the Interior or in any other judicial or administrative proceedings

10.3 Support for Surplus Criteria. SDCWA will use reasonable best efforts to support all reasonable efforts by Metropolitan to promote and secure surplus criteria on the Colorado River with the objective of maintaining a full Colorado River Aqueduct.

10.4 Report to Legislature. The Parties shall report as requested to the Legislature of the State of California on the implementation of this Agreement.

10.5 Covenants of Good Faith. This Agreement is subject to reciprocal obligations of good faith and fair dealing.

10.6 SDCWA Consent and Waiver. Notwithstanding any limitations set forth in the Transfer Agreement otherwise restricting IID's right to transfer water to Metropolitan, SDCWA hereby consents to IID's transfer of water to Metropolitan as provided in Articles 5 and 6 of the IID/MWD Acquisition Agreement (as defined in Section 1.1 of the QSA) and waives any right to object thereto. SDCWA shall provide to IID, and shall be bound by, a written acknowledgement of its consent and waiver set forth in the preceding sentence above in such form and to such effect as Metropolitan may reasonably request.

10.7 Allocation Agreement Responsibilities. SDCWA shall indemnify Metropolitan and defend and hold it harmless at SDCWA's sole cost and expense from and against any obligation, liability or responsibility of any kind assigned to SDCWA under and pursuant to the Allocation Agreement and any claim by any person that MWD has any continuing obligation,

liability or responsibility of any kind with respect to the matters assigned to SDCWA under the Allocation Agreement.

XI.

DISPUTE RESOLUTION

11.1 Reasonable Best Efforts to Resolve by Negotiation. The Parties shall exercise reasonable best efforts to resolve all disputes, including Price Disputes, arising under this Agreement through negotiation; provided, however, that SDCWA shall not dispute whether the Price determined pursuant to Paragraph 5.2 for the first five (5) Years of this Agreement was determined in accordance with applicable law or regulation (a “Price Dispute”). In the event negotiation is unsuccessful, then the Parties reserve their respective rights to all legal and equitable remedies.

XII.

So long as no Event of Default as defined in Paragraph 12.2(a) has occurred and is continuing, SDCWA shall not suspend or delay, in whole or in part, Making Available Conserved Water and/or Canal Lining Water as required under this Agreement on account of any breach, or alleged breach, by Metropolitan unless first authorized to do so by a final judgment. A violation of the provisions of this subparagraph (b) may be remedied by an order of specific performance.

(c) In the event of a dispute over the Price, SDCWA shall pay when due the full amount claimed by Metropolitan; provided, however, that, during the pendency of the dispute, Metropolitan shall deposit the difference between the Price asserted by SDCWA and the Price claimed by Metropolitan in a separate interest bearing account. If SDCWA prevails in the dispute, Metropolitan shall forthwith pay the disputed amount, plus all interest earned thereon, to SDCWA. If Metropolitan prevails in the dispute, Metropolitan may then transfer the disputed amount, plus all interest earned thereon, into any other fund or account of Metropolitan.

12.5 Cumulative Rights and Remedies. The Parties do not intend that any right or remedy given to a Party on the breach of any provision under this Agreement be exclusive; each

such right or remedy is cumulative and in addition to any other remedy provided in this Agreement or otherwise available at law or in equity. If the non-breaching Party fails to exercise or delays in exercising any such right or remedy, the non-breaching Party does not thereby waive that right or remedy. In addition, no single or partial exercise of any right, power, or privilege precludes any other or further exercise of a right, power, or privilege granted by this Agreement or otherwise.

12.6. Action or Proceeding Between the Parties. Each Party acknowledges that it is a "local agency" within the meaning of § 394(c) of the California Code of Civil Procedure ("CCP"). Each Party further acknowledges that any action or proceeding commenced by one Party against the other would, under § 394(a) of the CCP, as a matter of law be subject to

- (a) being transferred to a "Neutral County," or instead
- (b) having a disinterested judge from a Neutral County assigned by the Chairman of the Judicial Council to hear the action or proceeding.

(c) A "Neutral County" is any county other than Imperial, Los Angeles, Orange, Riverside, San Bernardino, San Diego or Ventura. In the event an action is filed by either party against the other to enforce this Agreement and to obtain damages for its alleged breach, each Party hereby:

- (i) Stipulates to the action or proceeding being transferred to a Neutral County or to having a disinterested judge from a Neutral County assigned to hear the action;

- (ii) Waives the usual notice required under the law-and-motion provisions of Rule 317 of the California Rules of Court;
 - (iii) Consents to having any motion under § 394(c) heard with notice as an ex parte matter under Rule 379 of the California Rules of Court; and
 - (iv) Acknowledges that this Agreement, and in particular this section, may be submitted to the court as part of the moving papers.
- (d) Nothing in this Paragraph 12.6, however, impairs or limits the ability of a Party to contest the suitability of any particular county to serve as a Neutral County, or operates to waive any other rights.

XIII.

Neither Party has been induced to enter into this Agreement by, nor is either Party relying on, any representation or warranty outside those expressly set forth in this Agreement.

13.7 Time of the Essence. If the day on which performance of any act or the occurrence of any event hereunder (except the delivery of Exchange Water) is due is not a business day, the time when such performance or occurrence shall be due shall be the first business day (as defined in Section 4507 of the Administrative Code) occurring after the day on which performance or occurrence would otherwise be due hereunder. No waiver of a breach, failure of condition, or right or remedy is or may be deemed a waiver of any other breach, failure, right or remedy, whether similar or not. In addition, no waiver will constitute a continuing waiver unless the writing so specifies.

13.10 Indemnification.

(a) SDCWA shall indemnify Metropolitan pursuant to Section 4502 of the Administrative Code against liability in connection with acts of SDCWA after Metropolitan's delivery of the Exchange Water, to the same extent as is required with respect to water supplied by Metropolitan to a member public agency. Such

(b) Metropolitan shall indemnify SDCWA pursuant to Section 4502 of the Administrative Code against liability in connection with Metropolitan's delivery of the Exchange Water to the same extent as is required with respect to water supplied by Metropolitan to a member public agency. Such indemnification shall be in addition to any indemnification rights available under applicable law and to any other remedy provided under this Agreement.

(c) Notwithstanding anything in this Agreement to the contrary, each Party agrees to proceed with reasonable diligence and use reasonable good faith efforts to jointly defend any lawsuit or administrative proceeding by any person other than the Parties challenging the legality, validity, or enforceability of this Agreement.

13.11 Authority of the Legislature. Nothing in this Agreement will limit any authority of the Legislature of the State of California to allocate or reallocate water.

13.12 Right to Amend the Administrative Code. Notwithstanding anything to the contrary in this Agreement, express or implied, Metropolitan shall have the right to amend the Administrative Code at its sole discretion, except that, for the purposes of this Agreement, no such amendment shall have the effect of changing or modifying Paragraphs 8.1 and 8.2, or the obligation of Metropolitan to deliver Exchange Water hereunder, unless such effect is first approved by the Board of Directors of SDCWA.

13.13 Right to Amend Transfer Agreement and Allocation Agreement.

Notwithstanding anything to the contrary in this Agreement, express or implied, SDCWA shall have the right to amend the Transfer Agreement and/or the Allocation Agreement at its sole discretion, except that, for purposes of this Agreement, no such amendment shall have the effect of changing or modifying Paragraphs 8.1 and 8.2, the obligation of SDCWA to Make Available Conserved Water and/or Canal Lining Water hereunder, or the Price payable by SDCWA with respect to any Exchange Water, or be binding on Metropolitan, unless such effect is first approved by the Board of Directors of Metropolitan.

13.14 Counterparts. This Agreement may be executed in two or more counterparts, each of which, when executed and delivered, shall be an original and all of which together shall constitute one instrument, with the same force and effect as though all signatures appeared on a single document.

13.15 Audit. Each Party shall be responsible for assuring the accuracy of its books, records and accounts of billings, payments, metering of water, and other records (whether on hard copy or in electronic or other format) evidencing the performance of its obligations pursuant to this Agreement and shall maintain all such records for not less than three years. Each Party will have the right to audit the other Party's books and records relating to this Agreement for purposes of determining compliance with this Agreement during the term hereof and for a period of three years following termination of this Agreement.
